Then I'll make peace with it.

And then I'll turn my attention to what I need to do as the founder and leader of Oath Keepers to prepare for what comes after Trump fails to do his duty.

I'll also have a small contingency plan for what to do if he suddenly grows a pair.

[cont'd]

But most of my focus will be on presuming he won't. And preparing for the worst.

I think an open letter to the current serving US military is needed.

This will be DC rally number three.
Getting kinda old. They don't give a shit
how many show up and wave a sign, pray,
or yell. They won't fear us till we come
with rifles in hand
